**A New Beginning**

*As you make a new beginning in your life, graduate, be aware of important things you didn't learn in school: As you pursue your dreams, remember to take time to help and serve others even if doing so slows you down a little. As you explore and develop your unique talents, remain humble, realizing that your special abilities are gifts from God. As life hands you challenges, welcome them as ways to become smarter and stronger. As you acquire material things, know that your most important possessions are honesty, integrity, and the desire to make a difference. Congratulations, graduate. May your new path take you where you want to go and also bring you pleasant surprises!*

**FREEDOMS' MEMORIAL**

*(Memorial Day ~ May 31)*

This day is set aside to honor those who took the chance to die. But they have died in vain if we ever forget the reason why. Freedom can be like time slipping away before we even know. But we all have the choice more, a duty to battle freedoms' foe. Let us give thanks this day to all those brave who paid the highest cost.
